Dear Mohamed Omar and the Community of the Dar Al-Farooq Islamic Center,

As-salamu alaykum!

On behalf of the Sisters of St. Joseph of Carondelet, St Paul Province, and Consociates, please know that our thoughts and hearts are with you and Minnesota's entire Muslim Community at this most challenging time. We are heartbroken that you experienced this egregious violation of your sacred space. As a community of faith, we are committed to peace, unity and love. You are and will remain in our prayers.

Sincerely,
