

Call for Intern – Wisdom Ways Administrative Support Internship

Wisdom Ways was established in 1994 as a ministry of the Sisters of St. Joseph of Carondelet, a group of Catholic sisters whose mission of “moving always toward love of God and neighbor without distinction” inspired the creation of community-based, service-oriented ministries. Though Wisdom Ways is now a part of the Ministries Foundation, our mission of creating open, accepting spaces that advance the spiritual growth, authenticity, and fullness of life for all people has not changed. Our resources and offerings aim to help support movement into meaningful and impactful action to advance personal and communal well-being. We hope you will join us to help support and develop this mission.
